Recomendaciones

CORRECTIVAS:

1, 2 y 3.

Integrar un programa para actualizar los pagarés que no cubren los días de dotación asignada y que rebasan los dos años antigüedad observados, considerados en la normatividad y en los contratos vigentes y que no rebasen los dos años de antigüedad.

4 y 5.

En los casos de retraso en el depósito diario de los ingresos obtenidos por la venta de leche y en aquellos que alcanzaron el límite del 50% del pagaré, se deberá iniciar con las gestiones de recuperación y si procede, a la rescisión inmediata, conforme a lo establecido en la normatividad vigente, considerando la atención a los beneficiarios.

PREVENTIVAS:

1, 2 y 3.

Implementar como mecanismo de control un programa para actualizar los pagarés de tal forma que cubran los días de dotación asignada considerados en la normatividad y en los contratos vigentes y que no rebasen los dos años de antiquedad.

Someter a la autorización del Comité Local de Crédito y Operación de Puntos de Venta la sustitución de fianza por pagaré, previo análisis y justificación de la imposibilidad de Concesionarios(a) o Distribuidor(a) Mercantil para obtener una fianza, considerando que el monto del pagaré deberá ser por el doble del exigido para las fianzas.
